Shell plc Announces Final Results of Exchange Offers

Shell plc (“Shell”) (LSE: SHEL) (NYSE: SHEL) (AEX: SHELL) today announces the final results of its previously announced offers to exchange (the “Exchange Offers” and each, an “Exchange Offer”) any and all validly tendered (and not validly withdrawn) and accepted notes of five series issued by Shell International Finance B.V. (“Shell International Finance” and such notes, the “Shell International Finance Notes”) and one series of notes issued by BG Energy Capital plc (“BGEC”) (such notes, the “BGEC Notes” and such BGEC Notes, together with the Shell International Finance Notes, the “Old Notes”) for a combination of cash and a corresponding series of new notes to be issued on a private placement basis by Shell Finance US Inc. (“Shell Finance US”) and fully and unconditionally guaranteed by Shell (the “New Notes”), as described in the Offering Memorandum dated November 3, 2025 (the “Offering Memorandum”).

As announced on November 3, 2025, Shell conducted the Exchange Offers to migrate the existing Old Notes from Shell International Finance and BGEC to Shell Finance US in order to optimize Shell Group’s (as defined below) capital structure and align indebtedness with its U.S. business.

The total aggregate principal amount of Old Notes that were validly tendered (and not validly withdrawn) and accepted for exchange in the Exchange Offers was \$6,347,729,000, as set forth in the table below under the heading “Aggregate Principal Amount Tendered and Accepted.” All Old Notes validly tendered (and not validly withdrawn) as of 5:00 p.m., New York City time, on December 3, 2025 satisfied the applicable Minimum Size Condition (as described in the Offering Memorandum) and were accepted for exchange.

The following table, based on information provided by D.F. King & Co., Inc., the exchange agent and information agent for the Exchange Offers, indicates, among other things, the aggregate principal amount of each series of Old Notes validly tendered (and not validly withdrawn) and accepted for exchange in the Exchange Offers.

Kingdom has been prepared and therefore offering or selling the New Notes or otherwise making them available to any retail investor in the United Kingdom may be unlawful under the UK PRIIPs Regulation. The Exchange Offers were not made to holders of Old Notes who are located in Canada.

This press release is not an offer to sell or a solicitation of an offer to buy any of the securities described herein. The Exchange Offers were made solely pursuant to the terms and conditions of the Offering Memorandum, and the other related materials.

The issuance of the New Notes has not been registered under the Securities Act or any state securities laws. Unless a subsequent resale is registered under the Securities Act, the New Notes may only be offered or sold in the United States in a transaction that is exempt from, or in a transaction not subject to, the registration requirements of the Securities Act and other applicable securities laws. On the Settlement Date, Shell Finance US, Shell and the dealer managers expect to enter into a registration rights agreement with respect to the New Notes (the "Registration Rights Agreement"), pursuant to which Shell Finance US and Shell will be obligated to use commercially reasonable efforts to file with the Securities and Exchange Commission (the "SEC") and cause to become effective a registration statement with respect to an offer to exchange each series of New Notes for new notes fully and unconditionally guaranteed by Shell containing terms substantially identical to those of the New Notes within 365 days from the Settlement Date. In addition, pursuant to the Registration Rights Agreement, Shell Finance US and Shell will agree to use commercially reasonable efforts to file a shelf registration statement to register resales of the New Notes under the Securities Act in the event that a registered exchange offer is not available or may not be completed as soon as practicable after the last date for acceptance of the New Notes for exchange in the registered exchange offer under certain circumstances or if the registered exchange offer is not for any other reason completed prior to the later of 365 days from the Settlement Date and the date on which, under certain circumstances, any dealer manager so requests.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor will there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

Non-U.S. Distribution Restrictions

European Economic Area

The New Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("EEA"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"); or (ii) a customer within the meaning of Directive 2002/92/EC (as amended, the "Insurance Mediation Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended, the "Prospectus Directive"). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "PRIIPs Regulation") for offering or selling the New Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the New Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation. The Offering Memorandum has been prepared on the basis that any offer of New Notes in any Member State of the EEA will be made pursuant to an exemption under the Prospectus Directive from the requirement to publish a prospectus for offers of New Notes. The Offering Memorandum is not a prospectus for the purposes of the Prospectus Directive.

MiFID II product governance / Professional investors and ECPs only target market—In the EEA and solely for the purposes of the product approval process conducted by any dealer manager who is a manufacturer with respect to the New Notes for the purposes of the MiFID II product governance rule under EU Delegated Directive 2017/593 (each, a "manufacturer"), the manufacturers' target market assessment in respect of the New Notes has led to the conclusion that: (i) the target market for the New Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the New Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the New Notes (a "distributor") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the New Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

Belgium

Neither the Offering Memorandum nor any other documents or materials relating to the Exchange Offers have been submitted to or will be submitted for approval or recognition to the Belgian Financial Services and Markets Authority ("*Autorité des services et marchés financiers*" / "*Autoriteit voor Financiële Diensten en Markten*"). The Offering Memorandum has been issued only for the personal use of the above qualified investors and exclusively for the purpose of the Exchange Offers. Accordingly, the information contained in the Offering Memorandum or in any other documents or materials relating to the Exchange Offers may not be used for any other purpose or disclosed or distributed to any other person in Belgium.

Accordingly, the Exchange Offers cannot be promoted, nor may copies of any document related thereto or to the New Notes be distributed, mailed or otherwise forwarded, or sent, to the public in Italy, whether by mail or by any means or other instrument (including, without limitation, telephonically or electronically) or any facility of a national securities exchange available in Italy, other than to Italian Qualified Investors. Persons receiving the Offering Memorandum must not forward, distribute or send it in or into or from Italy. Noteholders or beneficial owners of the Old Notes that are resident or located in Italy can offer to exchange the notes pursuant to the Exchange Offers through authorized persons (such as investment firms, banks or financial intermediaries permitted to conduct such activities in Italy in accordance with the Financial Services Act, CONSOB Regulation No. 16190 of 29 October 2007, as amended from time to time, and Legislative Decree No. 385 of 1 September 1993, as amended) and in compliance with applicable laws and regulations or with requirements imposed by CONSOB or any other Italian authority.
