* Special resolution

Please note that a 'vote withheld' is not a vote under English Law and is not counted in the calculation of the proportion of the votes 'for' and 'against' a resolution.

Shell Chief Executive Officer Wael Sawan said: "Shell's shareholders have strongly backed our strategy to deliver more value with less emissions as outlined at Shell's Capital Markets Day 2025. Our focus on performance, discipline and simplification enables us to invest in providing the energy the world needs today, and in helping to build the low-carbon energy system of the future."

The level of votes on Resolution 22 requires us to explain what actions we intend to take to consult shareholders in order to understand the reasons behind the result, and report back within six months. We will meet this obligation by continuing to engage with shareholders and we welcome feedback in terms of our LNG disclosures as we prepare the note on our website related to the LNG market, Shell's LNG business, and how our LNG business reconciles with our broader strategy and climate commitments.
