Additional performance related matching shares can be earned depending on the performance of the Company, the number of such additional matching shares ranging from nil to three for every four deferred bonus shares and dividend shares held.

For the purposes of disclosure and maintenance of certain statutory records, the number of shares is taken to be the number of deferred bonus shares, dividend shares on such deferred bonus shares, and the guaranteed matching shares. Further details of the DBP can be found in the Royal Dutch Shell plc Annual Report and Form 20-F for the year ended December 31, 2006.
