Long Term Incentive Plan (“LTIP”)

The LTIP is a performance based share plan under which Directors receive a conditional award of shares (“performance shares”). The actual number of performance shares which Directors could finally receive under the plan ranges from nil to two times the conditional award ⁽¹⁾, subject to the performance of the Company over a period of at least three years. For the purposes of disclosure and maintenance of certain statutory records, the number of performance shares is taken to be one times the number of performance shares conditionally awarded. Performance shares attract dividends in the form of shares (“dividend shares”) and, whilst Directors could finally receive dividend shares based on two times the conditional award ⁽¹⁾, such dividend shares are disclosed and recorded on the basis of the number of shares conditionally awarded. Further details of the LTIP can be found in the Royal Dutch Shell plc Annual Report and Form 20-F for the year ended December 31, 2005.
