The enforcement by Shareholders of civil liabilities under United States securities Laws may also be affected adversely by the fact that Shell Canada is incorporated under the Laws of Canada, that some or all of its directors are residents of Canada and that all or a substantial portion of the assets of Shell Canada and said Persons may be located outside the United States.

Shareholders should be aware that the Offeror or its affiliates, directly or indirectly, may bid for or make purchases of Common Shares, or of any related securities of Shell Canada, during the period of the Offer, as permitted by applicable Canadian provincial or territorial Laws. See Section 12 of the Offer, “Market Purchases”.

Shareholders in the United States should be aware that the disposition of Common Shares by them pursuant to the Offer may have tax consequences both in Canada and in the United States. Such consequences may not be fully described herein and such holders are urged to consult their tax advisors. See Section 18 of the Circular, “Certain Canadian Federal Income Tax Considerations” and Section 19 of the Circular, “Certain U.S. Federal Income Tax Considerations”.

There are a number of factors that could affect the future operations of RDS, the Offeror and the Shell Group and could cause those results to differ materially from those expressed in the forward-looking statements included in the Offer and Circular, including (without limitation): (a) price fluctuations in crude oil and natural gas; (b) changes in demand for Shell Group’s products; (c) currency fluctuations; (d) drilling and production results; (e) reserve estimates; (f) loss of market and industry competition; (g) environmental and physical risks; (h) risks associated with the identification of suitable potential acquisition properties and targets, and successful negotiation and completion of such transactions; (i) the risk of doing business in developing countries and countries subject to international sanctions; (j) legislative, fiscal

and regulatory developments including potential litigation and regulatory effects arising from recategorisation of reserves; (k) economic and financial market conditions in various countries and regions; (l) political risks, project delay or advancement, approvals and cost estimates; and (m) changes in trading conditions. All forward-looking statements contained in the Offer and Circular are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. None of RDS, the Offeror, or any member of the Shell Group undertakes any obligation publicly to update or revise any forward-looking statement as a result of new information, future events or other information. NOTICE OF EXTENSION

TO: SHAREHOLDERS OF SHELL CANADA LIMITED

This Notice of Extension varies and supplements the Offer and Circular, pursuant to which the Offeror is offering to purchase all of the issued and outstanding Common Shares (including any Common Shares which may become outstanding after the date of this Offer and prior to the Expiry Time upon the exercise of any Options or any other rights to acquire Common Shares) not already held by the Offeror or its affiliates, at a price of \$45.00 per Common Share in cash on the terms and subject to the conditions contained herein.

Except as otherwise set forth in this Notice of Extension, the information, terms and conditions previously set forth in the Offer and Circular continue to be applicable in all respects and this Notice of Extension should be read in conjunction with the Offer and Circular, certain of the provisions of which are incorporated as described herein.

1. Recent Developments

As the Minimum Condition under the Offer has been met, the Offeror provided notice to the Depositary to take up and pay for the approximately 96,985,322 Common Shares deposited to the Offer (including Common Shares deposited under Notices of Guaranteed Delivery) as of 8:00 p.m. on March 16, 2007 and arranged for the Depositary to pay for such Common Shares on or before Wednesday, March 21, 2007. Such Common Shares represent approximately 53.1% of the outstanding Common Shares not already owned by the Offeror or its affiliates. Upon taking up and paying for such Common Shares, the Offeror, together with its affiliates, will own approximately 740,294,180 Common Shares, representing approximately 89.6% of the outstanding Common Shares.

Prior to the Expiry Time, holders of over 99% of the previously outstanding Options irrevocably committed to surrender their Options in exchange for Replacement Options to acquire Class A Ordinary shares of RDS rather than exercising their Options.

2. Extension of Offer

By notice to the Depositary given on March 16, 2007, the Offeror has extended the time for acceptance of the Offer until 8:00 p.m. (Toronto time) on March 30, 2007, unless further extended at the Offeror's sole discretion. Accordingly, the definition of "Expiry Time" in the "Glossary" accompanying the Offer and Circular is deleted in its entirety and replaced with the following definition:

"Expiry Time" means 8:00 p.m. Toronto time, on March 30, 2007, or such later time and date as may be fixed by the Offeror from time to time pursuant to "Extension and of the Offer" in Section 5 of the Offer, unless the Offer is withdrawn by the Offeror.

In addition, all references to March 16, 2007 and to 8:00 p.m. (Toronto time) (the "Initial Expiry Time") in the original Offer and Circular, the Letter of Transmittal and the Notice of Guaranteed Delivery, are amended to refer to March 30, 2007 and to 8:00 p.m. (Toronto time), respectively.

3. Time for Acceptance

The Offer is open for acceptance until 8:00 p.m. (Toronto time) on March 30, 2007, unless withdrawn or further extended by the Offeror.

4. Manner of Acceptance

Shares may be deposited to the Offer in accordance with the provisions of Section 3 of the Offer, "Manner of Acceptance".

5. Take Up of and Payment for Deposited Common Shares

As all of the conditions referred to under Section 4 of the Offer, "Conditions of the Offer", have been fulfilled or waived at or prior to the Initial Expiry Time, the Offeror was obligated to take up the Common Shares deposited under the Offer and not withdrawn prior to the extension of the Offer and to pay for the Common Shares taken up as soon as possible, but in any event not later than three business days after taking up the Common Shares. See Section 7 of the Offer, "Take Up of and Payment for Deposited Common Shares".

The Offeror has taken up Common Shares validly deposited to the Offer and not withdrawn as of the Initial Expiry Time, as set forth in Section 7 of the Offer, "Take Up of and Payment for Deposited Common Shares". The Offeror will pay for the Common Shares taken up as of the Initial Expiry Time within three business days in accordance with applicable securities legislation.

Common Shares deposited in acceptance of the Offer following 8:00 p.m. (Toronto Time) on March 16, 2007 will be taken up and paid for in accordance with applicable securities legislation. All Shareholders who validly deposit their Common Shares to the Offer, and do not withdraw such Common Shares, will receive \$45.00 for each Common Share. See Section 7 of the Offer, "Take Up of and Payment for Deposited Common Shares".

6. Withdrawal of Deposited Common Shares

Shareholders have the right to withdraw Common Shares deposited pursuant to the Offer under the circumstances and in the manner described in Section 6 of the Offer, "Withdrawal of Deposited Common Shares".

7. Variations to the Offer and Circular

The Offer and Circular, the Letter of Transmittal and the Notice of Guaranteed Delivery shall be read together with this Notice of Extension in order to give effect to the variations in the terms and conditions of the Offer and the changes in the information to the Offer and Circular set forth in this Notice of Extension. Except as otherwise set forth in this Notice of Extension, the information and terms and conditions previously set forth in the Offer and Circular continue to be applicable in all respects and this Notice of Extension should be read in conjunction therewith.

8. Conditions Satisfied

Each of the conditions of the Offer specified in Section 4 of the Offer "Conditions of the Offer" has been satisfied and the Offer is now unconditional.

9. Directors' Approval

The contents of this Notice of Extension have been approved, and the sending thereof to Shareholders has been authorized, by the boards of directors of the Offeror and RDS, respectively.

10. Offerees' Statutory Rights

Securities legislation in certain of the provinces and territories of Canada provides Shareholders with, in addition to any other rights they may have at law, rights of rescission or to damages, or both, if there is a misrepresentation in a circular or a notice that is required to be delivered to such Shareholders. However, such rights must be exercised within prescribed time limits. Shareholders should refer to the applicable provisions of the securities legislation of their province or territory for particulars of those rights or consult with a lawyer.

Royal Dutch Shell plc updates on offer for the minority shares of Shell Canada Limited

17/03/2007

Shell Investments Limited (“SIL”), a wholly-owned subsidiary of Royal Dutch Shell plc, announced that as at 8:00 p.m. (Toronto time) on March 16, 2007 (the “Initial Expiry Time”) 96,985,322 common shares in the capital of Shell Canada Limited (“Shell Canada”) were validly deposited to SIL’s offer to acquire, at a price of C\$45.00 cash per common share, all of the outstanding common shares of Shell Canada not already owned by SIL or its affiliates (the “Offer”).

As the minimum deposit condition under the Offer has been met, SIL has taken up and accepted for payment all of the common shares validly deposited. The common shares taken up and accepted for payment represent approximately 53.1% of the outstanding common shares of Shell Canada not already owned by SIL or its affiliates. SIL or its affiliates now own 740,294,180 common shares of Shell Canada or approximately 89.6% of the outstanding common shares of Shell Canada. Payment will be made on or before Wednesday, March 21, 2007 to Shell Canada shareholders who have validly deposited their common shares under the Offer.

SIL also announced today that it has extended the Offer to 8:00 p.m. (Toronto time) on March 30, 2007. SIL expects to mail a formal notice of extension to Shell Canada shareholders shortly.

Royal Dutch Shell Chief Executive Jeroen van der Veer commented “This is a positive outcome, and a further step towards building on our strong position in Canada, using the strengths that only a company of our global scale can bring. This is an opportunity to create an integrated unconventional oil business on an international scale.”
