Dividend reinvestment plan

ABN AMRO Bank NV and Equiniti (the new name for Lloyds TSB Registrars) each have established a dividend reinvestment facility which enables shareholders to elect to have their dividend payments used to purchase Royal Dutch Shell shares of the same class as those already held by them. The dividend reinvestment plans (the "DRIPs") are provided by ABN AMRO Bank NV in respect of shares held through Euroclear Nederland and by Equiniti in respect of all other shares (but not ADRs). DRIPs for the ADRs (both Class A ADRs and Class B ADRs) traded on the NYSE are available through The Bank of New York.

Enquiries about the DRIPs, including how to elect to participate and information about the reinvestment mechanisms under the respective plans should, in the case of shareholders holding through Euroclear Nederland, be directed to their bank or broker and in the case of all other shareholders (other than holders of ADRs) to Equiniti. Enquiries relating to the DRIPs for ADRs (both Class A ADRs and Class B ADRs) should be made to The Bank of New York.
